By Donald C. Abel : Fifty Readings in Philosophy philosophy from greek philosophia literally quot;love of wisdomquot; is the study of general and fundamental problems concerning matters such as i definition of philosophy ii division of philosophy iii the principal systematic solutions iv philosophical methods v the great historical currents of Fifty Readings in Philosophy:

1 of 1 review helpful A thorough background in philosophy By Silverwing This book was required reading for an

introductory university level course in philosophy As such this book serves as a compilation collection of fifty philosophical works which aim to provide a basis in philosophy on a range of issues topics from ethics to religion to politics The individual works are grouped accordingly based on these topics Fifty Readings in Philosophy is a flexible and affordable collection of classic and contemporary primary sources in philosophy The readings cover all the main topics of Western philosophy each one carefully edited to be long enough to present a self contained argument but not so lengthy that students lose track of the main point Introductions and explanatory notes make the readings accessible to students All these features have made this book a proven pedagogi About the Author Donald C Abel is Professor of Philosophy at St Norbert College in De Pere Wisconsin He holds a B A in Philosophy from Gonzaga University an M A in Philosophy from Tulane University a Ph L in Philosophy from St Michael rsquo s Institute
