From Lee M Brown : African Philosophy: New and Traditional Perspectives african philosophy is a disputed term used in different ways by different philosophers in attributing philosophical ideas to philosophers of african origin a african sage philosophy the sage philosophy project began in the mid 1970s at the department of philosophy of the university of nairobi kenya at the university African Philosophy: New and Traditional Perspectives:

In the last two decades the idea of African Philosophy has undergone significant change and scrutiny. Some critics have maintained that the idea of a system of philosophical thought tied to African traditions is incoherent. In African Philosophy, Lee Brown has collected new essays by top scholars in the field that in various ways respond to these criticisms and defend the notion of African Philosophy. The essays address both epistemological and metaphysical issues. This anthology is one of a kind in the growing literature in African philosophy; it is a breath of fresh air. African American About the Author K Lee Brown was formerly Associate Professor.
