By J. S. Mill : Utilitarianism (Oxford Philosophical Texts) here are versions of some classics of early modern philosophy prepared with a view to making them easier to read while leaving intact the main arguments doctrines western philosophy is the philosophical tradition of the western world and dates to pre socratic thinkers who were active in ancient greece in the 6th century bce Utilitarianism (Oxford Philosophical Texts):

1 of 1 review helpful A gold mine of insight By HH J S Mill s book Utilitarianism is a classic exposition and defense of utilitarianism in ethics The essay first appeared as a series of three articles published in Fraser s Magazine in 1861 the articles were collected and reprinted as a single book in 1863 Mill s aim in the book is to explain what utilitarianism is to show why it is the best theory of ethics and to Mill s Utilitarianism is one of the most important controversial and suggestive works of moral philosophy ever written Mill defends the view that all human action should produce the greatest happiness overall and that happiness itself is to be understood as consisting in higher and lower pleasures This volume uses the 1871 edition of the text the last to be published in Mill s lifetime Adding the selections from the Speech on Capital Punishment is an excellent idea Mark Migotti University of Calgary
