By Nicholas White : Individual and Conflict in Greek Ethics what are the major ethical issues in conducting research is there a conflict between the research ethics and the nature of nursing mantzorou marianna bioethics bioethics is a rather young academic inter disciplinary field that has emerged rapidly as a particular moral enterprise

against the background of the Individual and Conflict in Greek Ethics:

White opposes the long standing view that ancient Greek ethics is fundamentally different from modern ethical views. He examines the ways in which Greek ethics has been interpreted since the 18th century and traces the history in Greek ethical thought of the idea of conflict among human aims in particular the conflict between conformity to ethical standards and one's own happiness.
