**By David Hume : Dialogues and Natural History of Religion** map of eastern mediterranean from black sea to lybia and egypt to go to the entry on a given location click on its name on the map plato and his dialogues home religion

from the latin religio meaning restraint or relegere according to cicero meaning to repeat to read again Dialogues and Natural History of Religion:

David Hume is one of the most provocative philosophers to have written in English His Dialogues ask if a belief in God can be inferred from what is known of the universe or whether such a belief is even consistent with such knowledge The Natural History of Religion investigates the origins of belief and follows its development from polytheism to dogmatic monotheism Together these works constitute the most formidable attack upon religious belief
