By John Sallis : Being and Logos: Reading the Platonic Dialogues neo platonism neo platonism or neoplatonism is a modern term used to designate the period of platonic philosophy beginning with the work of plotinus and ending besides being devoted to socrates plato was also deeply influenced by a number of earlier philosophers known today as

the pre socratics this included Being and Logos: Reading the Platonic Dialogues:

Being and Logos is a philosophical adventure of rare inspiration Its power to illuminate the text its ecumenicity of inspiration its methodological rigor its originality and its philosophical profundity all together make it one of the few philosophical interpretations that the philosopher will want to re read along with the dialogues themselves A superadded gift is the author rsquo s prose which is a model of lucidity and grace Internation
