From Penn State University Press : Feminist Interpretations of Plato (Re-Reading the Canon) an index with brief explanations and bibliographies neo platonism neo platonism or neoplatonism is a modern term used to designate the period of platonic philosophy beginning with the work of plotinus and ending Feminist Interpretations of Plato (Re-Reading the Canon):

The essays in this anthology explore the full spectrum of Plato's philosophy and are representative of the variety of perspectives within feminist criticism. The essays in the first section focus primarily on Plato's social and political theory and in particular the place of women within the state. The second section concentrates on examining the role of the feminine within Plato's metaphysics and epistemology. Tuana introduces both sections and a detailed bibliography. About the Author: Nancy Tuana is Professor of Philosophy at the University of Oregon and author of several books including most recently *The Less Noble Sex: Scientific, Religious, and Philosophical Conceptions of Woman's Nature* (Indiana University Press, 1993).
