0 of 0 review helpful less money less problems By BingeBuyer so i just started my spring semester of college i enrolled in an intro to philosophy class because i wanted a challenge the only challenge there was was buying the three

books required for the class first i checked out the prices at my school bookstore since there were no used copies i was gonna be spending a fortune for a new one of course i looked nowhere An accessible reader text for beginning students of philosophy this volume offers a broad scope of diverse classic and contemporary selections ndash with a narrative and format that presents difficult issues and readings in a simplified but not condescending manner The readings are grouped around major philosophic themes logic ethics metaphysics epistemology philosophy of religion philosophy of art and social and political philosophy It also offers a selectio From the Publisher An accessible reader text for beginning students of philosophy this volume offers a broad scope and diversity of classic and contemporary selections and a narrative and format that presents difficult issues and readings in a simplified but
