By bronx book nerd This book started out with a bang went into a couple of tailspins and then fizzled out like a wet
firecracker The philosophical duo of Cahn and Vitrano both professors in New York City s CUNY system started with
a clear and actual How should we evaluate the success of each person s life Countering the prevalent philosophical
perspective on the subject Steven M Cahn and Christine Vitrano defend the view that our well being is dependent not
on particular activities accomplishments or awards but on finding personal satisfaction while treating others with due
concern The authors suggest that moral behavior is not necessary for happiness and does not ensure it Yet they also
argue that mor Happiness and Goodness reminds me of a Socratic dialogue The absence of jargon and use of realistic
examples in this book make philosophy accessible to all interested in improving their lives Andrea Tschemplik
