**By E. Brooks, A. Brooks : The Original Analects** first translated during the summer of 1990 revised 2017 05 09 when citing please refer to the url of this page <http://pacmullercon.daoanalects.html> confucius traditionally 28 september 551 bc 479 bc was a chinese social philosopher whose teachings deeply influenced east asian life and thought The Original Analects:

2 of 2 review helpful A breakthrough in textual study of Analects not for the casual reader By Ian The good A wonderfully detailed translation of the Analects with a fair amount of never before seen insights The bad 1 this is a scholarly translation and is not for the casual reader 2 There isn t consistent inclusion of the original Chinese beside the translations and analyses which I personally think wo This new translation presents the Analects in a revolutionary new format that for the first time in any language distinguishes the original words of the Master from the later sayings of his disciples and their followers enabling readers to experience China s most influential philosophical work in its true historical social and political context The Original Analects is a remarkable book that ranks among the most significant and impressive works on Chinese thought ever published in English Journal of Asian Studies With the publication of this translation scholars now have
