By Robert Grudin English Professor : Time and the Art of Living were down for a quick site update but good things are on the way our site will be back very soon with new features and improvements for you in the meantime virtual space for artists to share their art with others on the internet Time and the Art of Living:

10 of 10 review helpful One of the most thought provoking books I have ever read By The Global Wanderer Time and

the Art of Living is a marvelous book Grudin s book contains hundreds of little paragraphs full of musings and thoughts on time what time means for us and what it should mean for us He analyzes time from various angles how time relates to love politics age morality and everything else important in our li This is a book about time about one s own journey through it and more important about enlarging the pleasure one takes in that journey It s about memory of the past hope and fear for the future and how they color for better and for worse one s experience of the present Ultimately it s a book about freedom freedom from despair of the clock of the aging body of the seeming waste of one s daily routine the freedom that comes with acceptance and appreciat com Time and the Art of Living is a philosophical essay about the relationship between two facts that we each strut and fret upon the stage for a terrifyingly short slice of objective time and that subjective time our experience of temporality is deep
