By Ernst Cassirer : Language and Myth language and myth has 265 ratings and 21 reviews hesham said httpida2at a 1949 article on this work by wilfrid sellars raises various questions about cassirers analysis of symbolism Language

and Myth:

0 of 0 review helpful I found it very useful as a reference piece By Anna I used this book in a research paper on the irony of word choice in works with classic revenge constructs I found it very useful as a reference piece A little dry for simple reading though 5 of 7 review helpful Thoughtful yet Opaque By J W Kennedy It is probably due to the quality of the tra In this important study Ernst Cassirer analyzes the non rational thought processes that go to make up culture He demonstrates that beneath both language and myth there lies an unconscious grammar of experience whose categories and canons are not those of logical thought He shows that this prelogical logic is not merely an undeveloped state of rationality but something basically different and that this archaic mode of thought still has enormous power
