From R Kearney : The Continental Philosophy Reader philosophy of history history is the study of the past in all its forms philosophy of history examines the theoretical foundations of the practice application and philosophy from greek philosophia literally quot;love of wisdomquot; is the study of general and fundamental problems concerning matters such as The Continental Philosophy Reader:

6 of 6 review helpful A Helpful Clear Survey By benjamin If one is interested in getting to know some of the trends in 20th century continental philosophy I know of no better place to start than with this reader Richard Kearney and Mara Rainwater break the book down into three sections From Phenomenology to Hermeneutics From Marxism to Critical Theory and From Structuralism to Deconstruction Within each section wor The Continental Philosophy Reader is the first complete anthology of classic writings from the major figures in European thought and provides a powerful introduction to one of the 20th century s most influential intellectual movements Finally there is a substantive inexpensive single volume available to us that covers more than just a single school or movement in twentieth century European philosophical thought I highly recommend this book David Boersema Teaching Philosophy
