**By Benjamin I. Schwartz : The World of Thought in Ancient China** ancient history is the aggregate of past events from the beginning of recorded human history and extending as far as the early middle ages or the postclassical era in early egyptian and mesopotamian thought the world was portrayed as a disk floating in the ocean a similar model is found in the homeric account from the 8th The World of Thought in Ancient China:

1 of 1 review helpful This book is great in that it gives a general picture of the By Yuxuan Liu I am a Chinese And I am familiar with ancient Chinese political thought This book is great in that it gives a general picture of the different schools in the Spring and Autumn era Recommend to anyone who is interested in ancient Chinese political ideas 28 of 84 review helpful Sophisticated The center of this prodigious work of scholarship is a fresh examination of the range of Chinese culture thought during the formative period of Chinese culture Benjamin Schwartz looks at the surviving texts of this period with a particular focus on the range of diversity to be found in them While emphasizing the problematic and complex nature of this thought he also considers views which stress the unity of Chinese culture Attention is accorded to pre Confucian texts The book is a lucid accurate agreeably written and comprehensive survey based on a long familiarity with the whole of the literature of Chinese schools of thought down to the second century BC and its great strength is its range of comparisons with other t
