By Michel Foucault : The History of Sexuality, Vol. 1: An Introduction a peer reviewed international journal that

bridges the gap between research and practice in information design accurate and reliable information on the history of circumcision including articles and primary documents relating to both male and female circumcision in both The History of Sexuality, Vol. 1: An Introduction:

2 of 2 review helpful Pure genius as far as I am concerned By Plentymore I am delighted to have stumbled upon this set of works by Foucault and having just completed the first of 3 I am throwing myself headlong into the next because he is so capable as a writer of elucidating that which I have always suspected but have never had told to me so effectively Of course many will disagree find fault even hate his work b Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is The Care of the Self shares with the writings on which it draws the characteristic of being carefully constructed exquisitely reasoned and internally cogent The New York Times Book Foucault is a thinker from whose writing one can infer lessons for o
