By John R. Searle : The Construction of Social Reality dec 19 2014nbsp;dr dennis hiebert presents quot;what does the social construction of reality meanquot; a summary of social construction of reality in s identity and reality learn exactly what happened in this chapter scene or section of identity and reality and The Construction of Social Reality:

0 of 0 review helpful Searle is exceptionally good at getting at what he means in plain English Anglo analytic philosophy at its best By Matthew Rapaport In an earlier review of a later book Seeing Things as they Are 2015 I said Searle s argument for direct realism was a bit circular In this earlier book he addresses that very circularity This book is about the physical and conceptual structure of social reality This short treatise looks at how we construct a social reality from our sense impressions at how for example we construct a five pound note with all that implies in terms of value and social meaning from the printed piece of paper we see and touch In The Construction of Social Reality eminent philosopher John Searle examines the structure of social reality or those portions of the world that are facts only by human agreement such as money About the Author John R Searle is the Mills Professor of Philosophy at the University of California Berkeley Among his books are Speech Acts Expression and Meaning The Campus War Intentionality The Rediscovery of the Mind
