**By Reuben Abel : Man is the Measure (Cordial Invitation to the Central Problems of Philosophy)** industrial relations play a crucial role in establishing and maintaining industrial democracy youve got problems ive got advice this advice isnt sugar coated in fact its sugar free and may even be a little bitter welcome to tough love Man is the

Measure (Cordial Invitation to the Central Problems of Philosophy):

2 of 2 review helpful No circles By Benjamin Ray I must admit that I am not a fan of philosophic physiologic books Although for some reason I end up reading them a lot This book is a good one that I have recommended to friends Often times the problem I have with philosophy books is they go around and around on the same topic only bringing up the same ideas with slightly different wording to make it seem like they are talk An intelligently truthful book that explores the uneven landscape of the human intellect An accessible introduction to philosophy this book narrows the gap between the general reader and intellectual inquiry Its points are illustrated with concrete examples that should call the reader to a higher level of critical thinking and self perception From the Back Cover One of the best introductory texts in philosophy in recent years It is freshly written its points well illustrated with concrete examples and enlivened with strong doses of critical common sense Sidney Hook Emeritus Professor of Phil
