Ernst Cassirer's The Philosophy of the Enlightenment is an excellent historical overview of this period of intellectual  
history He highlights the major themes that unite this diverse group of thinkers I previously read and enjoyed Peter  
Gay's two volume h In this classic work of intellectual history Ernst Cassirer provides both a cogent synthesis and a  
penetrating analysis of one of history's greatest intellectual epochs the Enlightenment Arguing that there was a  
common foundation beneath the diverse strands of thought of this period he shows how Enlightenment philosophers  
drew upon the ideas of the preceding centuries even while radically transforming them to fit the modern world In  
Cassirer's view the Enlighten Cassirer's The Philosophy of the Enlightenment offers much to today's student of the  
cultural sciences If nothing else in our world of concise histories and quick overviews Philosophy of the  
Enlightenment is still an excellent and detai
