**From Jane Chamberlain Jonathan Ree : The Kierkegaard Reader** a commentary on the writings and writing method of kierkegaard with images biography and an introduction to his thought early years 1813 1836 kierkegaard was born to an affluent family in copenhagen his mother ane srensdatter lund kierkegaard had served as a maid in the The Kierkegaard Reader:

5 of 5 review helpful Poor selections definitely not the best anthology available By CK Dexter Haven Kierkegaard's body of work is so extensive and the individual texts often so lengthy that it's impossible to do justice to them in an anthology so none of the anthologies available are entirely satisfying However this one is probably at the bottom of the list The selections are puzzling For example from The anthology makes use of a range of classic translations and includes new translations by Jane Chamberlain and Jonathan R. Ue explanatory introductions an index and a glossary Chamberlain and Ree have done a superb job of representing the philosopher's Kierkegaard In these selections we find the themes and ideas that influenced the existentialist phenomenological and post-structuralist movements of the twentieth century and why
