Problem: On the Dissatisfactions of European High Culture:

62 of 64 review helpful Rehabilitating Philosophical Modernity By socraticfury If memory serves Professor Pippin was awarded a MacArthur grant in 2001 1 5 million over 3 years Imagine getting paid half a mil a year to write on things like the problem of human finitude and the possibility of self determining and self grounding spontaneous subjectivity see p 13 This book is quite simply one of the best of its Modernism as a Philosophical Problem 2e presents a new interpretation of the negative and critical self understanding characteristic of much European high culture since romanticism and especially since Nietzsche and answers the question of why the issue of modernity became a philosophical problem in European tradition From Library Journal Pippin s modernism is the ideology behind empirical science liberal democracy and universal reason Arnold Toynbee first noticed that modernism was in danger in his landmark A Study in History Lately it has been flayed by philosophers
