0 of 0 review helpful Kant s Metaphysics in a North Philadelphia Slum By Rev Ralph This relatively brief work does not in my opinion really add anything significant to Kant s three major critiques Pure Reason Practical Reason and Aesthetics But it has a very good Introduction by James W Ellington the translator I first read Kant 63 years ago and have been profoundly influenced by him In fact I did a This expanded edition of James Ellington rsquo s preeminent translation includes Ellington rsquo s new translation of Kant rsquo s essay Of a Supposed Right to Lie Because of Philanthropic Concerns in which Kant replies to one of the standard objections to his moral theory as presented in the main text that it requires us to tell the truth even in the face of disastrous consequences I love teaching this edition of the Groundwork It is highly readable while accurate and affordable for undergraduates Mark LeBar Ohio University
