7 of 11 review helpful Such a lovely short book By Dr Michael J Storek A reader will love then short stories described by JJ Rousseau For me JJR s writings about his internal feelings are less interesting however this is one of the most beautiful books in all the literature I have ever read I highly recommend the tenth and unfinished Reverie I have never read more touching words 3 of 6 review helpful First published posthumously in 1782 from an unfinished manuscript The Reveries of the Solitary Walker continues Rousseau s exploration of the soul in the form of a final meditation on self understanding and isolation This accurate and graceful translation by Charles Butterworth the only English version based on Rousseau s original text is accompanied by an interpretive essay extensive notes and a comprehensive index a scholarly English translation of high quality prepared by a translator thoroughly grounded both in the tradition of Western philosophy and in the thought of Rousseau of Metaphysics
