a great selection *An Essay Concerning Human Understanding* (Hackett Classics):

1 of 1 review helpful Know Thyself By Americans Love Freedom I read Locke s Two Treatises of Government in the late 1970s or even earlier I wanted to know how our government became so unwieldy and I needed something to contrast it with Locke came well recommended I didn t know about his book on understanding or I would have read it then too In those days the lines drawn between liberty and progressivism or socialism Includes generous selections from the Essay topically arranged passages from the replies to Stillingfleet a chronology a bibliography a glossary and an index based on the entries that Locke himself devised This abridgment by Kenneth Winkler is the best that has ever been done Winkler s judgment as to what must be kept and what may be dropped is unerring and his literary skill has enabled him to fashion a text that reads smoothly An illuminating Introduc
