2 of 2 review helpful Perfect By Elementality This is a perfect version of the Ethics Shirley s translation is good but what s better is the extensive reference material in the back of the book Each proposition is listed singly without proofs or scholia a list of definitions and axioms and also a cross reference of each definition axiom or previous proposition Spinoza uses to prove any given proposition 1 of 1 r Designed to facilitate a thoughtful and informed reading of Spinoza s Ethics this anthology provides the Ethics related writings and two valuable appendices List of Propositions from the Ethics which helps readers to trace the development of key themes and Citations in Proofs a list of all the propositions corollaries and scholia in the Ethics together with all the definitions axioms propositions corollaries and scholia to which Absolutely magnificent edition I will be using it in all my introductory courses I also will use it in my 16th and 17th century History of Philosophy course Just a wonderful collection great translations good editorial additions as well
