1 of 2 review helpful Great Translation and commentary By Thadius Lambert This is a great standalone edition of a
presocratic philosophy but all the books in this series are amazing This revised edition of The Poem of Empedocles
1992 integrates substantial new material from a recently discovered papyrus and published by A Martin and O
Primavesi The papyrus contains evidence of over seventy lines or part lines of poetry of which more than fifty are both
new and usable The integration of this material into the previously known fragments has significant impact on our
understanding of Empedocles one of the most influential philosophers and po Language Notes Text English Greek
