Radical Empiricism:

1 of 2 review helpful I tried but needed to read a synopsis before coming back to read this book By Patrick Moore LMT Educator James means something completely different by Empiricism than other authors mean I originally dismissed this book and didn't read it because I thought I wasn't interested in empiricism by Empiricism many authors mean that nothing exists unless it can be sensed with a human's five senses Essays in Radical Empiricism shows William James concerned with ultimate reality and moving toward a metaphysical system The twelve essays originally appeared in journals between 1904 and 1906 James himself collected them to illustrate what he called "radical empiricism" but this volume was not published until 1912 two years after his death Included are such seminal essays as "Does Consciousness Exist" and "A World of
