Meaning of Life:

4 of 5 review helpful Accessible exploration of Philosophy By Christopher Hellstrom This book is accessible to students and armchair philosophers who love movies At a time where common culture is dwindling movies seem to be the only thing that links us together It is also an art form that is vital in a time where novels sadly have become a near obsolete form of expression This book takes ideas and movies seriously The meaning of life is the most urgent of questions said the existentialist thinker Albert Camus And no less a philosopher than Woody Allen has wondered How is it possible to find meaning in a finite world given my waist and shirt size Movies and the Meaning of Life looks at popular and cult movies examining their assumptions and insights on meaning of life questions What is reality and how can I know it The Truman Show Contact Waking Life How keeps with the strong intent of linking philosophical concepts to everyday popular culture an excellent achievement Midwest Book October 2005 19 papers in which academic philosophers use contemporary Hollywood productions to illu
