**By Gary Michael Atkinson : Our Search with Socrates for Moral Truth** brief article outlining the history of greek philosophy from the internet encyclopedia of philosophy virtue ethics describes the character of a moral agent as a

driving force for ethical behavior and is used to describe the ethics of socrates aristotle and other Our Search with Socrates for Moral Truth:

4 of 4 review helpful Great book from an exceptional professor By Natalie Gillespie Gaskins I've personally participated in one of Atkinson's ethics courses and as a result my perspective of life has changed It showed me how to take difficult life experiences and approach them in a more logical way It helped me so much that I bought my mother this book for Christmas Many people believe that when it comes to moral questions anyone's opinion is as good as anyone else's Teachers of philosophy by exposing students to the full panoply of moral theory can reinforce this prejudice towards skepticism even when they intend to challenge it Gary Michael Atkinson has taught introductory courses in philosophy for decades and he has developed an effective approach to show that widespread skepticism based on the existence of persistent moral About the Author Gary Michael Atkinson is professor of philosophy at the University of St Thomas
