37 of 38 review helpful A masterly focus By Douglas Doepke This is a slim volume unusual because it operates at a very general level across all three of Kant s Critiques instead of the more usual focus on a single Critique Deleuze s aim is architectonic to show how the three Critiques fit together to form a coherent whole This is a valuable undertaking since it s very easy to get lost in the Kantian thickets which Gilles Deleuze 1925 1995 was Professor of Philosophy at the University of Paris VII He is a key figure in poststructuralism and one of the most influential philosophers of the twentieth century Kant s Critical Philosophy is an outstanding example of Deleuze s work and one of the best short introductions to Kant available The book lays emphasis on Kant s own view of philosophy Where most discussions of Kant s work concentrate on the Critique of Pure Reason and the m Language Notes Text English French translation
