By Sophocles : Antigone (Bryn Mawr Commentaries, Greek) I celebrate myself and sing myself and what I assume you shall assume for every atom belonging to me as good belongs to you I loaf and invite my soul search settings; web history advanced search language tools Antigone (Bryn Mawr Commentaries, Greek):

9 of 13 review helpful The best critical edition of Antigone By Kirsti K Simonsuuri This is the standard and also the best critical edition of Sophocles tragedy ANTIGONE written and performed in Athens in 441BC It includes the full text philological explanation and commentary as well as essays by leading scholars of classical literature For my new translation into Finnish of the play this edition is the best and th In this new edition of Sophocles tragedy Antigone Mark Griffith combines sophisticated literary and cultural interpretation with close attention to language meter and issues of performance and thus makes the play more fully available to readers of Greek than ever before The introduction requires no knowledge of Greek and will interest all students of drama and literature Griffith it would be fairer to describe him as thorough undogmatic and open minded He is in most respects the ideal commentator and this book will be of permanent value to scholars and students at all levels Hermathena
