By Gordon P. Baker, P. M. S. Hacker : Wittgenstein: Rules, Grammar and Necessity: Volume 2 of an Analytical Commentary on the Philosophical Investigations, Essays and Exegesis 185-242 Wittgenstein: Rules, Grammar and Necessity: Volume 2 of an Analytical Commentary on the Philosophical Investigations, Essays and Exegesis 185-242:

2 of 5 review helpful Unsurpassable work By Jean Joubert My interest in this book was kindled by the following extract of internet readers comments below a 3 March 2014 article on The Spectator s website entitled Chomsky in the Crimea I offer the following extract as a recommendation of this book since nobody has yet posted a review of this

book As I have not read this book myself I conservatively rated it 4 stars e The Second Edition of Wittgenstein Rules Grammar and Necessity the second volume of the landmark analytical commentary on Wittgenstein rsquo s Philosophical Investigations now includes extensively revised and supplemented coverage of the Wittgenstein s complex and controversial remarks on following rules Includes thoroughly rewritten essays and the addition of one new essay on communitarian and individualist conceptions of rule fo The authors showed in the first volume that they had in full measure the combination of scholarship and philosophical excellence needed to expound and illuminate the intricacies of the text That combination is apparent on every page of the present work
