exodus from greek exodos quot;going outquot;; hebrew yetziat mitzrayim is the founding or etiological myth of israel  
Being and Event (Bloomsbury Revelations):

4 of 4 review helpful everything humans care about explained By William S Jamison This book along with Logic of Worlds strikes me as the major metaphysics book of the philosophical moment Applying set theory to Being realizing that sets are primarily linguistic but the act of objectification non the less seems to me to be the best approach to consolidating all current science into a basic framework This framework gives Since the book s first publication in 1988 Alain Badiou s Being and Event has established itself of one of the most important and controversial works in contemporary philosophy and its author as one of the most influential thinkers of our time Being and Event is a comprehensive statement of Badiou s philosophical project and sees him recast the European philosophical tradition from Plato onwards via a series of analyses of such key figures as Descarte From Publishers Weekly Two things are new in this much anticipated translation of Badiou the language and the preface Both are instructive Translator Oliver Feltham stayed as close as possible to Badiou s syntax but at the price of losing fluidity The lo
