trade thieves travelers sports athletes border crossings guide to the underworld Euripides and the Boundaries of the Human:

Euripides and the Boundaries of the Human presents the first single volume reading in nearly fifty years of all of Euripides's surviving plays Rather than examining one or a handful of dramas in monograph or article form Mark Ringer insists on the thematic and stylistic parallels that unite a diverse canon of works Euripides is often referred to as the most modern of the three Ancient Greek tragedians but in what way can the work of this fifth In this useful survey of Euripides Ringer Marymount Manhattan College contests the common view of the dramatist as an iconoclastic ironic and modern poet In his introduction the author contends that Euripides's vision of the gods is tra
