Discourse on Method (Focus Philosophical Library):

1 of 1 review helpful Bought book for general education class and absolutely loved it By Jason At my undergraduate university I was forced to taken to humanities electives and was ordered to read this in one of them and I actually ended up loving it Book was of good quality and was much cheaper than my local bookstore at my university As far as content goes I would say that this book changed the way that I perceived This Focus Philosophical Library edition includes a new translation of Descartes seminal discourse with an original essay by Richard Kennington This text is designed to provide the student with a close translation notes and a glossary of key terms facilitating access to ideas as they originally were presented and helping to make the translator s work transparent From the Back Cover The Focus Philosophical Library publishes clear faithful editions enabling access for modern students to the essential ideas and wisdom of the world rsquo s greatest thinkers This is an English translation of Descartes seminal discou
