Handbook of Source Material:

6 of 7 review helpful The details of a little known philosopher By Robert F vonBriesen I am an admirer of Diogenes and have checked all the on line sites for more information about his life and teachings This book contains everything you could find on line plus a bit more as it includes things written about him by his contemporaries the source of what we know about him He left little behind of his own writing Diogenes of Sinope is undoubtedly the most well known Cynic philosopher from antiquity We possess no direct writings from Diogenes himself thus his legacy has been left for others to construct and discuss over the centuries Over time Diogenes rsquo legacy became intermingled with legends about his life which makes it difficult for the scholar to reconstruct who exactly the ldquo real rdquo Diogenes was We possess a faint idea of who the man was and this book is
