risk is the potential of gaining or losing something of value values such as physical health social status emotional well being or financial wealth can be hats more important strategy or execution i believe both are critical but what if

something else is just as important there is a third ingredient to business Commonplace Commitments: Thinking through the Legacy of Joseph P. Fell:

Joseph P Fell proposes that the solution to the problem of nihilism is found in the common experience of persons and the everyday commitments that one makes to people practices and institutions In his landmark 1979 book Heidegger and Sartre and in his subsequent essays Fell describes a quiet but radical reform in the philosophical tradition that speaks to perennial dilemmas of thought and pressing iss About the Author Peter S Fosl is professor of philosophy and chair of PPE at Transylvania University Michael J McGandy is senior editor with Corn
