By Boethius : The Consolation of Philosophy the consolation of philosophy for over 1000 years the consolation of philosophy was the most popular book in europe next to the bible a work of learning and consolation definition the act of consoling; comfort; solace see more The Consolation of Philosophy:

0 of 0 review helpful Boethius Consolation By William M An underappreciated work very much in need at this time

In short a discussion about what being self cognizant and sufficient allows in comparison to what depending upon fleeting experiences and things allows A comparative evaluation about true happiness versus that which is simply pleasurable This work was written as Boethius was awaiting his death and as he 2016 Reprint of the 1962 edition Full facsimile of the original edition not reproduced with Optical Recognition Software Translated with an introduction and notes by Richard H Green The Consolation of Philosophy was written in the sixth century and has been described as having had the single most important influence on the Christianity of the Middle Ages and early Renaissance and as the last great work of the Classical Period From the Carolingian epoch to the
